United States District Court for the Eastern District of Pennsylvania

The USDC—ED recently completed a two-year process in which it updated and revised its Local Civil Rules. The newly issued rules are available on the Court's website, together with a summary of the changes enacted.

The revision updates the Rules to formalize many of the procedures surrounding electronic filing and makes permanent some pandemic-related protocols such as the option to conduct arbitrations by videoconference. Among other changes, the revised Rules establish a formal procedure for the consolidated cases, and procedures for taxation of costs have been completely revised.

My mission in life is not merely to survive but to thrive and to do so with some passion, some compassion, some humor, and some style. ~ Maya Angelou
